Vaccine Information

- [Disability Information and Access Line \(DIAL\)](#)-1-888-677-1199. A national hotline has been established to help connect people with disabilities to information and services to improve access to COVID-19 vaccines. Callers can receive assistance to find vaccination locations in their communities, make vaccination appointments, and get connected to local services to assist with vaccination efforts. The hotline is also available to help provide information and resources to answer questions and address concerns about the vaccines and can connect callers to information and services that promote independent living and address fundamental needs, such as food, housing, and transportation. The call line is available from 8:00 am – 7:00 pm (CT). DIAL: 1-888-677-1199
