Upcoming CMS Summit: Supporting Adults with Intellectual and Developmental Disabilities (I/DD) and Their Aging Caregivers

CMS is hosting a two-day virtual summit, Supporting Adults with Intellectual and Developmental Disabilities (I/DD) and Their Aging Caregivers, to share promising practices and collaborate on solutions for addressing challenges faced by state Medicaid agencies and their partners in supporting adults with I/DD and their aging parents and caregivers. This webinar will focus on strategies for state Medicaid agencies and their partner agencies, and will cover topics including coordination across state agencies and person- and family-centered systems.

Session 1-Monday, June 28, 2021, 10:30 - 12:30

This session will focus on the importance of cross-agency collaboration in providing effective supports for adults with I/DD and their aging parents and caregivers. [Click to Register](#)

Session 2-Monday, June 28, 2021, 1:30 - 3:00

This session will continue the conversation on the importance of cross-agency collaboration in providing effective supports for adults with I/DD and their aging parents and caregivers. [Click to Register](#)

Session 3-Tuesday, June 29, 2021, 10:30 - 12:30

This session will focus on creating a person- and family-centered system that supports adults with I/DD and their aging parents and caregivers. [Click to Register](#)
