

Improving lives THROUGH  
supports and services  
THAT FOSTER self-determination.

7/2/21

[Free Virtual Technology Conference](#)

**Ohio Tech Summit 2021**  
**July 22-23 2021, 9:00am-12:00pm each day**

The Ohio Department of Developmental Disabilities and the Ohio State University invite Missourians to participate in their 2021 technology conference. Val Huhn, Deputy Director, MO Department of Mental Health collaborated with Missouri self-advocates, their community service provider and Wanda Crocker, Division of Developmental Disabilities to offer a keynote session exploring the impact of technology during and outside of COVID-19. Join the conference and learn from Ohio, Missouri and other national speakers about how technology builds self-direction and independence.
