Trauma Informed Care and Positive Identity Development

August 16, 2021

10:00 - 12:00

This training is for Developmental Disability and Behavior Health providers. Explore sources of trauma in the lives of people who are Dually Diagnosed with Severe Mental Illness and Developmental Disability/Intellectual Disability. Learn to provide interventions that support recovery.

Dr. Karyn Harvey has worked as a clinician in the field of intellectual disabilities for over 30 years. She has a master's degree in Clinical Psychology and a Ph.D. in Applied Developmental Psychology from the University of Maryland. [REGISTER HERE!](#)
