Missouri Children's Developmental Disabilities (MOCDD) Waiver Overview Document

The Department of Social Services has made changes to the MO HealthNet Application. As a result the IM 1MA (Medicaid Application) required document has been removed from the Family Support Division (FSD) packet and is now replaced by the following required documents.

- The IM-1SSL (Application for Health Coverage & Help Paying Costs)
- The IM-1ABDS (Supplement – Aged, Blind, and Disabled Supplement)

The MOCDD Waiver Overview document has been updated and can be found here:
