Statewide Provider Informational Meeting

August 12, 2021

The Division hosted their first bi-annual statewide meeting. Statewide data and other essential information from Tiered Supports, Provider Relations, Quality Assurance and Inquiry Coordination was shared. The meeting included updates on Division Initiatives such as Assistive Technology and Employment as well as provider recognition.

Facilitated by Wanda Crocker, Provider Relations State Lead.

Target Audience: Providers, TCM Entities, Division Staff and any stakeholder interested.
