Missouri Advocacy Call

Show Me Solutions: Congressional Efforts to Address Our DSP Crisis

September 14, 2021
9:30 a.m.

This call will discuss state-level efforts to make sure people with developmental disabilities have access to the best supports and services, and Direct Support Professionals can be paid a wage that reflects the work they do. Long-time Congressman and US Senator Roy Blunt will be joining the call to give the DC perspective.

Pre-registration is required. Questions for Senator Blunt may be submitted in advance to advocacy@esmw.org using the subject line "Question for Senator Blunt."
