Supporting Adults with I/DD and Their Aging Caregivers
sponsored by The Center for Medicaid & Medicare Services (CMS)

October 12, 2021
12:00 - 1:30

CMS is hosting a webinar to provide recommendations from the June 2021 Supporting Adults with Intellectual and Developmental Disabilities (I/DD) and Their Aging Caregivers Summit. This event will focus on strategies for state Medicaid agencies and their partner agencies to improve the delivery of supports and services for adults with I/DD and their aging caregivers.
