**Latest HRST Mortality Research:  
Results, COVID-19, and DSP Shortages**

November 16, 2021  
10:00 - 10:45

Please join this FREE Webinar from IntellectAbility, the people who created the Health Risk Screening Tool (HRST), for this 45 minute webinar. Dr. Craig Escude', IntellectAbility president, and Johnathon Crumley, IntellectAbility COO, will discuss how the HRST detects health destabilization in vulnerable populations and ensures that proper care and support is provided at all times.
