

TOPIC	DISCUSSION	ACTION/FOLLOW-UP NEEDED
<p>Body U</p> <p>Update 360 Training Initiative</p> <p>ECHO Update</p> <p>Next Meeting</p>	<p>B. Harrell shared dietitian communication. Wanted to know if there was an option to reach out to others as attendance at the meeting was low. Senator White added that the Medicaid committee is recommending coverage for post pregnancy women to be extended for one year.</p> <p>M.L. Firebaugh gave Body U update. Fall semester is coming to an end, Mizzou combined counseling and health center into one and they are keeping Body U as a resource. She gave presentation to counselors about Body U, referrals and other resources. Working on sending out campus wide email next spring. Since the start of the program, there have been over 12,000 screenings. Recent event at Missouri S&T and working with SEMO to plan event there. Reaching out to other institutions. Platform updates, transiting to 3C this December. Requested budget for online coaching feature. Self-help program through Lantern, has been transitioned into a free self-served website. Data shows 70% have high risk of ED.</p> <p>M.L. Firebaugh gave 360 Training update. Completed 2021 fall trainings, 6 total 2 from Ozark Center. Very well attended and received, about 75 people registered for each webinar. Upcoming trainings for 1st half of 2022. Working with MIMH to do conference in spring 2023 for ED.</p> <p>S. Bagby-Stone gave DE and ED ECHO update. Spent a long time preparing for first session in January, with a large and diverse team of experts and individuals with lived experiences. Will be having ECHO's for the first 6 months of the year, then a break and back in the fall. So far 35 people signed up to participate.</p> <p>A Seal talked about the 3 year plan. Still has some big holes in it, but are working to finalize it. Have identified 5 areas of focus for the Council; Body U, training healthcare providers on 360, reclassification of eating disorders as a serious mental illness, increased awareness for eating disorders, and expand partnerships with key, strategic stakeholders.</p> <p>A Seal ended meeting. Next meeting will be held virtually on January 24th, 2022</p>
