

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

9/27/22

**FREE Missouri Open Door (MOD) Workshop Series
Family Life and Assistive Technology**

September 28, 2022
12:30 pm - 1:30 pm

During this on-line workshop (via Zoom), participants will learn about tools and devices to help their family members live, love, work, play, and pursue their life aspirations. Through everyday skill-building strategies and integrated services and supports, the goal of this session includes:

- Providing immediate-use ideas for problem-solving and planning
- Strengthening everyday technology knowledge
- Incorporating / Understanding local service and support strategies
