National Disability Employment Awareness Month: Tools for Celebration

Annually, October is celebrated as National Disability Employment Awareness Month (NDEAM) to raise awareness of disability employment issues and celebrate the many and varied contributions of America's workers with disabilities.

This year's theme is *Disability: Part of the Equity Equation*. Employers and community agencies of all sizes and in all industries are encouraged to participate in NDEAM.

For specific ideas, posters, proclamations, and social media tools on how you can support National Disability Employment Awareness Month, visit [National Disability Employment Awareness Month 2022](#).
