## Tier 2: Extra Scoop Workshop

September 20, 2022  
1:00 - 3:30

Participants will learn more about how added staffing can increase risk of poor behavioral outcomes, as well as different strategies that teams can use to mitigate risk by taking a positive and proactive approach when building an increased staffing plan. This workshop is interactive and will also have hands-on activities. Support teams will use a review tool in order to action plan the best next steps for individuals they support. To register, participants can sign up on [Eventbrite](#) or send their RSVP to [Tier2@dmh.mo.gov](mailto:Tier2@dmh.mo.gov).
