

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

10/27/22

Family Support Partner (FSP) Training November 1- 3, 2022

Registration is currently open for Family Support Partner (FSP) training. Division of Developmental Disabilities provider agencies who are hiring a FSP and anyone who will supervise a FSP are required to complete training prior to peer support services being provided to a family through the Partnership for Hope waiver. The next training will be held in-person at the Missouri Credentialing Board in Jefferson City on November 1 – 3, 2022. A \$75 fee is required at registration. Participants are required to attend all sessions. [Click for more information about the training.](#)
