1 "Leslie Bradley" (133544960)

00:00:00.895 --> 00:00:11.275

Asleep Bradley with a division of federal programs unit and just want to thank everybody for taking time to join us today. I know. It's busy. It's almost a holiday.

2 "Leslie Bradley" (133544960)

00:00:11.275 --> 00:00:21.295

So, we really, really appreciate you and hoping we have a good presentation, and we can answer some of your questions and feedback today before I get started,

3 "Leslie Bradley" (133544960)

00:00:21.295 --> 00:00:29.935

I'm going to let Kimberly stock and Jennifer backs introduce themselves as they are part of the DD health home team. I'm going to.

4 "Leslie Bradley" (133544960)

00:00:30.000 --> 00:00:31.950

Pass it to Kim 1st.

5 "Kimberly Stock" (1213186304)

00:00:33.300 --> 00:00:37.470

Good morning everyone my name is Kimberly stock.

6 "Kimberly Stock" (1213186304)

00:00:37.470 --> 00:00:44.820

And I am with the division of developmental disabilities, quality programs unit, and I will pass it over to Jennifer for her introduction.

7 "Jennifer Bax" (2445501440)

00:00:44.820 --> 00:00:51.180

I am Jennifer backs, and I work here at the department I am in the Medicaid and reimbursement unit.

8 "Leslie Bradley" (133544960)

00:00:54.630 --> 00:00:57.750

So, we'll go ahead and get started.

9 "Leslie Bradley" (133544960)

00:00:57.750 --> 00:01:06.385

What we are presenting today is a proposed vision for the DD health home. The division is working with Missouri Department of social services.

10 "Leslie Bradley" (133544960)

00:01:06.415 --> 00:01:15.865

No Health Net division or Medicaid to implement a DD health home health home will help coordinate care for individuals served through the division.

11 "Leslie Bradley" (133544960)

00:01:15.865 --> 00:01:27.565

Who have qualifying health risk and chronic health conditions before the DD health home can begin providing services statewide to individuals who qualify approval must be given 1st, by the centers.

12 "Leslie Bradley" (133544960)

00:01:27.775 --> 00:01:39.235

Medicare and Medicaid services or CMS through a state plan amendment or spa this fall is basically a CMS requirement that helps the division plan implement,

13 "Leslie Bradley" (133544960)

00:01:39.265 --> 00:01:42.955

monitor and conduct quality services through the DB health.

14 "Leslie Bradley" (133544960)

00:01:50.695 --> 00:02:03.625

Let's talk about what help home is and what it can do for individuals who are eligible for that program, health home can help support individuals and managing chronic health conditions, medications and medical treatments.

15 "Leslie Bradley" (133544960)

00:02:04.225 --> 00:02:18.505

It can assist individuals with meeting their healthcare goals and provide information about general wellness, healthy, eating or exercise. The health home team will partner with an individual's planning team to identify and address specific health care needs.

16 "Leslie Bradley" (133544960)

00:02:18.600 --> 00:02:32.275

For that individual, and while it's important to understand what a health home is, it's equally important to understand what a health home is. Not what a health home is not. It is not a home.

17 "Leslie Bradley" (133544960)

00:02:32.755 --> 00:02:37.195

It is not a place where you would go to live and it does not change where you live.

18 "Leslie Bradley" (133544960)

00:02:37.470 --> 00:02:46.440

It is not direct medical services. It's not like your doctor's office or a hospital where you would receive medical treatment.

19 "Leslie Bradley" (133544960)

00:02:47.455 --> 00:02:50.425

It does not change and individuals planning team.

20 "Leslie Bradley" (133544960)

00:02:50.935 --> 00:03:04.675

It actually adds another partner if the individual so chooses and if the individual makes the choice to participate in a DD health home, it will not affect an individual's current Mo, health net or Medicaid benefits or services.

21 "Leslie Bradley" (133544960)  
00:03:04.980 --> 00:03:08.340  
Hmm.

22 "Leslie Bradley" (133544960)  
00:03:14.875 --> 00:03:26.335  
A DD health home is an additional service option for Medicaid eligible individuals serve through the division. This includes individuals in waiver services and individuals, not receiving waiver services.

23 "Leslie Bradley" (133544960)  
00:03:27.205 --> 00:03:38.395  
We've identified health risk and chronic health conditions. Individuals can choose to participate in this service if they qualify. And we will get to DD health home, eligibility requirements on the next slide.

24 "Leslie Bradley" (133544960)  
00:03:39.475 --> 00:03:42.925  
Individuals in the DD health home program will have access to.

25 "Leslie Bradley" (133544960)

Team of qualified health care professionals that promote wellness and healthy lifestyles while focusing on persons, tenderness and individual choice health.

26 "Leslie Bradley" (133544960)  
00:03:53.935 --> 00:04:07.045  
Or an individual's existing planning team individuals will be supported to identify their overall health outcomes health risk, learn how to address their health risk, improve the management of their chronic health condition,

27 "Leslie Bradley" (133544960)  
00:04:07.405 --> 00:04:16.225  
and therefore improve their overall health and wellness. So keep in mind all of this support. Will be driven by the individual and their identified health care goals.

28 "Leslie Bradley" (133544960)  
00:04:16.440 --> 00:04:25.290  
Providers will be DD, targeted case, management and accredited or certified DD, common community, based service waiver providers.

29 "Kimberly Stock" (1213186304)  
00:04:33.719 --> 00:04:40.529  
As long as I mentioned, there is eligibility criteria for an individual to be.

30 "Kimberly Stock" (1213186304)

31 "Kimberly Stock" (1213186304)

And so again, the intent is to serve adulting use with a developmental disability.

00:16:13.979 --> 00:16:24.059

Health home, so please ask your questions, give us feedback at any time you can email that that email box at any time as well.

108 "Leslie Bradley" (133544960)

00:16:24.059 --> 00:16:30.689

And with that, I am going to turn it over for questions and answers and.

109 "Leslie Bradley" (133544960)

00:16:30.689 --> 00:16:35.159

See, if we have any cat, do we have any in the chat right now?

110 "Kat Craig" (3105153792)

00:16:35.159 --> 00:16:43.229

So far, I've only seen 21 question was about substance use.

111 "Kat Craig" (3105153792)

00:16:43.229 --> 00:16:46.349

That was towards the very beginning.

112 "Kimberly Stock" (1213186304)

00:16:49.589 --> 00:16:58.199

Hey, Scott, this is Kim on slide 4. we did outline the current eligibility criteria for the DD health home.

113 "Kat Craig" (3105153792)

00:16:59.999 --> 00:17:12.719

Okay, um, our next question is, are these the only chronic health conditions that are qualifying, could someone with some other condition qualifying like, chronic hepatitis.

114 "Kimberly Stock" (1213186304)

00:17:12.719 --> 00:17:16.649

These are the current proposed qualifying.

115 "Kimberly Stock" (1213186304)

00:17:16.649 --> 00:17:22.049

Conditions for it to meet eligibility for the Missouri DD health home at this time.

116 "Kat Craig" (3105153792)

00:17:28.319 --> 00:17:31.559

Will there be a manual detailing everything.

117 "Leslie Bradley" (133544960)

00:17:38.429 --> 00:17:44.699

Yes, we are working on a operations manual for DD, health home providers.

118 "Leslie Bradley" (133544960)

00:17:44.699 --> 00:17:48.779

And can we go back real quick to the substance?

119 "Leslie Bradley" (133544960)

00:17:48.779 --> 00:17:59.939

Use question I know there was not a lot of detail in that question, but I did want to let the audience know that there are 2 other Missouri.

120 "Leslie Bradley" (133544960)

00:17:59.939 --> 00:18:04.889

Of homes at this time, there is a community mental health.

121 "Leslie Bradley" (133544960)

00:18:04.889 --> 00:18:16.679

Healthcare home, which is operated by the division of behavioral health, which is our sister agency under Department of mental health and.

122 "Leslie Bradley" (133544960)

00:18:17.819 --> 00:18:28.554

There is also the primary care health home in Missouri so, if an individual comes to the DD health home, and we'd better be served by 1 of these other 2 health homes, then we will,

123 "Leslie Bradley" (133544960)

00:18:28.674 --> 00:18:38.034

we will work with the individual if they choose and would feel like they would be better, be served under 1 of those health homes to get them referred to 1 of those health homes.

124 "Leslie Bradley" (133544960)

00:18:38.129 --> 00:18:42.899

So, I'm not sure if that was the question, but I did want to give that information.

125 "Kimberly Stock" (1213186304)

00:18:44.069 --> 00:18:47.639

And Leslie, to add to that, that current.

126 "Kimberly Stock" (1213186304)

00:18:47.639 --> 00:18:59.189

Division website that we have that speaks to the information pertaining to the Missouri at home also has information for the other 2 current Missouri health homes that Leslie just mentioned as well.

127 "Leslie Bradley" (133544960)

00:19:00.654 --> 00:19:09.414

Thank you Kim. Let's see. Will this PowerPoint be posted?

128 "Leslie Bradley" (133544960)

00:19:09.774 --> 00:19:15.714

Yes, we are recording today and we will be posting these webinars on the health home webpage.

129 "Kat Craig" (3105153792)

00:19:21.179 --> 00:19:24.929

I'm not seeing any other questions coming up at this moment.

130 "Leslie Bradley" (133544960)

00:19:33.539 --> 00:19:37.019

Okay, we'll give it a few minutes Kat and just see.

131 "Leslie Bradley" (133544960)

00:19:37.019 --> 00:19:43.949

I'm not sure can the audience raise their hands if they have a question? Do they have that capability?

132 "Leslie Bradley" (133544960)

00:19:48.389 --> 00:19:59.819

Yes. Okay great. So if you do have a question and you don't want to put it in the chat, then you can always raise your hand and cat can unmute you. So you can ask your question to us.

133 "Leslie Bradley" (133544960)

00:19:59.819 --> 00:20:12.329

Okay, it looks like we do have another 1, what does it mean to be a healthcare provider? Would you have to hire all of those positions that you listed under the positions? So yes.

134 "Leslie Bradley" (133544960)

00:20:12.329 --> 00:20:18.299

You would have to have these required provider positions on your health care home team.

135 "Leslie Bradley" (133544960)

00:20:19.619 --> 00:20:27.689

Specialized health care consultant you may not need all of those positions that we discussed that could fall under that position. Um.

136 "Leslie Bradley" (133544960)

00:20:29.249 --> 00:20:32.939

Within your health home and.

137 "Leslie Bradley" (133544960)

00:20:33.684 --> 00:20:36.684

What it particularly means to be a health home provider,

138 "Leslie Bradley" (133544960)

00:20:36.684 --> 00:20:51.444

we are working on a designation process for and accredited or certified htbs waiver providers to become designated as a DD health home provider. So that is still in development.

139 "Leslie Bradley" (133544960)

00:20:51.444 --> 00:20:58.794

There will be requirements and qualifications to do that. So, please stay tuned for more for more information details on that.

140 "Leslie Bradley" (133544960)

00:21:01.139 --> 00:21:08.519

Oh, yes, thanks Kat for putting that in the chat. So she put in the DD health on webpage and also the DD health home.

141 "Leslie Bradley" (133544960)

00:21:08.519 --> 00:21:12.119

Email box address.

142 "Kat Craig" (3105153792)

00:21:22.589 --> 00:21:34.949

For individuals who receive ISD or community networking, eligible for health care home if so should provider agencies participate in H in such as.

143 "Kat Craig" (3105153792)

00:21:34.949 --> 00:21:38.039

Okay, see, I. E. H. N. E.

144 "Leslie Bradley" (133544960)

00:21:40.644 --> 00:21:45.444

Take the 1st, part of this question and Kim, I may need your help on the 2nd part.

145 "Leslie Bradley" (133544960)

00:21:45.954 --> 00:21:55.914

So, individuals who receive ISD or community networking would be eligible if they meet those requirements on slide 4 for the DD health home.

146 "Leslie Bradley" (133544960)

00:21:56.244 --> 00:22:09.204

Because, as we said, this will be for individuals in waiver services as well as individuals, not in waiver services. This is a state plan service. And then I am not familiar with.

147 "Leslie Bradley" (133544960)

00:22:11.999 --> 00:22:16.469

Lacey H. I. E. is there any other team members?

148 "Kimberly Stock" (1213186304)

00:22:16.469 --> 00:22:31.404

Kim or anyone this is Kim. I believe I'm, if I'm understanding the question correctly that they're asking, if the agencies DD health on provider agencies to participate in a health information network.

149 "Kimberly Stock" (1213186304)

00:22:31.709 --> 00:22:37.499

That currently is not a requirement for the proposed, Missouri DD, health home. Um.

150 "Kimberly Stock" (1213186304)

00:22:37.499 --> 00:22:41.909

Provider agencies, but we appreciate your question.

151 "Kat Craig" (3105153792)

00:22:43.349 --> 00:22:54.989

Thank you did I read this correctly? The targeted case management service providers could become health home providers.

152 "Kat Craig" (3105153792)

00:22:54.989 --> 00:23:02.519

Would this be the same counties? They are providing targeted case management.

153 "Leslie Bradley" (133544960)

00:23:03.569 --> 00:23:15.564

Yes, so that's a very good question. Yes. The proposed providers of the service are DD providers as well as waiver providers who are accredited or certified.

154 "Leslie Bradley" (133544960)

00:23:16.164 --> 00:23:20.454

And we are still working out the details regarding the counties.

155 "Leslie Bradley" (133544960)

00:23:20.784 --> 00:23:33.234

But that is a possibility, as we said, if if a TCM provider decides to become a provider in the county that they are providing, then individuals could potentially be enrolled with that same.

156 "Leslie Bradley" (133544960)

00:23:33.569 --> 00:23:39.839

Later so again, we are still working out the details on that, but that could be a possibility.

157 "Leslie Bradley" (133544960)

00:23:43.829 --> 00:23:50.519

Okay, and then there was clarification about the health information network associated with that works. Thank you Kelly.

158 "Kat Craig" (3105153792)

00:24:16.289 --> 00:24:19.409

I'm not seeing anything else popping up at the moment.

159 "Leslie Bradley" (133544960)

00:24:24.239 --> 00:24:39.209

We'll give it a few minutes and if you do want to ask a question, you can raise your hand and cat can unmute you.

160 "Leslie Bradley" (133544960)

00:24:41.939 --> 00:24:44.094

You can drop it in the chat for us.

161 "Leslie Bradley" (133544960)

00:25:11.939 --> 00:25:25.199

These are great questions and we always appreciate, appreciate getting feedback. We appreciate the questions. It helps us think through the planning. The development.

162 "Leslie Bradley" (133544960)

00:25:25.199 --> 00:25:28.949

We take these back and we discuss them as a team.

163 "Leslie Bradley" (133544960)

00:25:28.949 --> 00:25:34.469

So really appreciate the thoughts and the great questions we really do.

164 "Leslie Bradley" (133544960)

00:25:37.709 --> 00:25:41.939

I said we're going to make sure that we get these included in the.

165 "Leslie Bradley" (133544960)

00:26:26.909 --> 00:26:34.079

Okay, cat and team I'm not seeing any more chads cat. Did anything come to you a chance?

166 "Kat Craig" (3105153792)

00:26:34.079 --> 00:26:37.139

No, we haven't had any more.

167 "Leslie Bradley" (133544960)

00:26:38.094 --> 00:26:49.254

Okay, then we're going to go in the webinar today and just, thank you all again for taking time and being with us, we are going to have 1 more of these tonight at 6 PM.

168 "Leslie Bradley" (133544960)

00:26:49.254 --> 00:26:59.514

So, if you know of anybody who would like to attend, please get the word to them and we'll be taking questions again at 6 o'clock. So thank you all very much, and have a great day.
