UDAT Lunch and Learn

**Assistive Technology: Dedicated
Applications**

February 14, 2023

Outline for Today

- 👤 What is a dedicated application?
- 👤 How to authorize AT Services for dedicated applications?
- 👤 Meet our DMH-DD Contracted provider!

Dedicated Application

- 👤 Is an app that supports a specific set of skills, or needs.
 - 👤 Think Apple App Store or Google Play Store
 - 👤 Are typically available to all users
- 👤 Can support the individuals in their home or in the community
- 👤 Are specific to the individual and no two are exactly the same.

Dedicated Application

- 👤 Dedicated Applications are under the Assistive Technology Waiver definition
- 👤 The code is A9999 UC, AT Services
- 👤 Dedicated Applications and all assistive technology do **NOT HAVE A BIDDING PROCESS**

What if the app you need, is not a direct contractor?
