

Improving lives **THROUGH**
supports and services
THAT FOSTER self-determination.

7/31/23

Meeting Midway – Tier 2 Prevention Podcast

In this episode of Meeting Midway, Melantha Witherspoon, Eastern Region Behavior Analyst with the Missouri Department of Mental Health, discusses safety crisis plans—the type of information contained in plans, as well as how and why they are used. Listeners will also learn more about reactive strategies, proactive strategies, and the difference between a safety crisis plan and a Behavioral Support Plan (BSP).

Host: Carl Hoeninger, Tier 2 Eastern Area Risk Prevention Lead

Target Audience:

- Division Team Members
- Targeted Case Management Agencies (TCMs)
- Contracted Providers
- Other Interested Individuals
