

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

9/19/23

Missouri Assistive Technology presents
Digital Day

September 21, 2023
10:30am – 12:30pm

Midtown Carnegie Branch Library
397 East Central Street
Springfield, MO 65802

Digital Day is designed to share knowledge and to close the digital divide for individuals with Intellectual and Developmental Disabilities (I/DD). It focuses on helping individuals, their families, and professionals learn about digital literacy, digital safety, assistive technology, and an opportunity to sign-up for low-cost internet through the [Affordable Connectivity Program](#).

For more information, contact David Baker at Dbaker@mo-at.org or by phone 1-816-655-6707.
