Fall 2023 Stakeholder's Meeting

September 21, 2023
10:00 - 2:00

UMKC Campus: SU-CD (4th Floor Student Union)

Join the MoF2F/CtLC Fall Stakeholder's Meeting. The focus of this session will be Supporting the Three Buckets of Need. This discussion will be around how our chapter is supporting families around the state through the lens of the three buckets of support.

MoF2F/CtLC Stakeholder's Meetings bring together individuals, families and professionals to discuss things that are important to people in Missouri. This meeting is designed to provide information on best practices, training and educational opportunities and networking opportunities to learn about Missouri resources. It serves as an opportunity for Missouri Family to Family to receive feedback on needs and barriers within Missouri and identify strategies for addressing them.

Questions can be sent to missourifamilytofamily@umkc.edu.
