Targeted Case Management for Individuals with Developmental Disabilities Manual

On September 1, 2023, the MO HealthNet Division (MHD) announced new provider manuals for all MO HealthNet Providers, including the [Targeted Case Management for Individuals with Developmental Disabilities Manual](#). This manual contains State Plan Amendment (SPA) updates approved April 1, 2023. SPA updates include Value Based Payments and Health Risk Screening Tool along with the removal of Support Intensity Scale language.
