March 25, 2024  
June 27, 2024

Organizations will have the opportunity to work with the Multi-Tiered Systems of Support - Tier 1 team as they guide participants through building and implementing a system of shared values in a live, three-part online workshop series. Organizations will receive ongoing support from the Positive Support Consultants (PSC) team after each workshop to continue expanding and implementing this system.

Attendance to all three sessions of the workshop is expected upon registration. All sessions are 1:00 - 3:00pm. [Register](#) for the Shared Values Cohort Series.

An optional fourth session for sharing and networking about the experience will be provided on August 20, 2024, 9:00 - 11:00am.
