

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

3/15/24

Employment First Missouri Training Series
Community Employment and Advocacy

Thursday, March 21, 2024
1:00 - 2:30

This training will provide an overview of employment of individuals with intellectual and developmental disabilities. Topics include:

- History of community employment and current status of efforts
- Jargon and terminology
- Core values and strategies
- Growing focus on community integration activities in conjunction with employment.

[Registration](#) is required.

Email leslie.quarles@umb.edu with questions or accommodation requests.

The full [training series](#) is also available.

Employment First Missouri, a collaborative between the Division of Developmental Disabilities and the Institute for Community Inclusion at University of Massachusetts-Boston, offers monthly professional development opportunities to facilitate employment support professional training requirements.
