## Supporting Families Best Practice The Role of HCBS Waiver Services in Supporting Families

April 4, 2024  
1:00 pm - 2:30 pm

The Best Practice Series introduces and elevates best practices related to supporting families. Each session will feature a panel of individuals or organizations who will address key recommendations from the National Agenda through their lens of:

- Grassroots Advocacy
- Practice Level Implementation
- States Service System
- Federal Policies
- Research

This session will focus on the redesign of waiver services and supports to focus on quality-of-life outcomes, increase flexibilities, improve access and navigation, and ensure self-determination and self-direction (while also balancing the need to support the family).
