Missouri Quality Outcomes Talking Points Series

The Missouri Quality Outcomes Talking Points Series has been uploaded to the Division's YouTube channel. This video series explains what the Outcomes are, what they mean to people with intellectual/developmental disabilities (I/DD), and how the Division uses them to improve the quality of services.

The videos can be accessed one of two ways:

- Go to the [Division's Missouri Quality Outcomes webpage](#) and click on the Missouri Quality Outcomes Talking Points Series dropdown menu.
- Go to [YouTube](#) and search Missouri Quality Outcomes Talking Points Series.
