Developmental Disabilities (DD) Waivers Manual Updated

The Comprehensive, Community Support, Partnership for Hope (PfH) and Missouri Children with Developmental Disabilities (MOCDD) Waiver amendments were approved effective 11-17-23. The updated DD Waiver Manual posted on the [Waiver Manual Webpage](#) has been updated to reflect these changes.

The 11-17-23 waiver amendments added the following information:

- Revise waiver service rate language for Self-Directed services budget rate methodology from statewide agency average rate to statewide Fiscal Year 2023 rates (all waivers).
- Added virtual delivery of service requirements to the Support Broker service (all waivers).
- Increased the Community Transition service maximum limit from \$3,000 to \$3,900 (Comprehensive, Community Support, and Partnership for Hope waivers).
- Revised Comprehensive waiver service billing methodology language to include:
 - Separate Group Home RN Monthly Nursing Oversight component from the Group Home rate.
 - Revised Individualized Supported Living transportation modified vehicle standardized per mile rate.

Additional updates to the manual include, clarification of the transportation limit, clarification of Applied Behavior Analysis (ABA) provisional license, and addition of the ABA service limitation table previously removed from the manual.
