**Behavioral Health and Intellectual/Developmental Disability (BHIDD)
In-Person Regional Learning & Networking**

June 4, 2025 - June 18, 2025

This in-person networking time is for clinical, service, and/or administrative staff to come together and discuss implementation challenges and successes related to BHIDD-related needs, services, and best practices. Come prepared to learn, share, and show off what you are doing related to supporting the BHIDD population with trauma-informed support, positive behavior support, staff training curriculums, lessons learned, and best practices. Staff are encouraged to include individuals with BHIDD in the networking events.

BHIDD Regional Learning Collaborative Networking
