

**Behavioral Health and Intellectual/Developmental Disability (BHIDD)
Virtual Learning Collaborative**

**Knowledge of Dual Role Services Delivery &
Fiduciary Responsibilities**

**April 24, 2025
9:30 - 11:30**

This training focuses on developing knowledge of dual-role service delivery by discussing effective treatment goals, setting realistic treatment goals, and evaluating outcomes. Participants explore services and resources related to various funding streams within complex care systems.

Learning Objectives:

- Discuss treatment goals and outcomes
- Identify services and resources related to various funding systems
- Recognize the complex systems in place, and flexibly navigate them

Target Audience:

Clinical Staff, Administrators, Caregivers
